

We want you!

Do you want to get active and also do something worthwhile? Would you like to spend time with others and improve your German at the same time?

Then getting involved in the neighbourhood is perfect for you. It's a great opportunity to get to know new people, while also doing something good and worthwhile at the very same time.

You offer your help and you get recognition and appreciation back in return, you get to know new people and things and you can contribute your own experiences.

Come and take part!

There are many people who would be delighted to receive your help. You can help at sports or other events, as well as providing support and assistance to children and the elderly, as well as to people in need.

Come to us!

We will be more than happy to answer any questions you might have and we will tell you what you can do in Bergedorf.
